Autism Society	The Autism Society began the Safe and Sound TM initiative in 2005 to provide much-needed resources on topics such as general safety, emergency preparedness and prevention, and risk management. Safe and Sound works to develop information and strategies to benefit individuals on the spectrum, their families and the professionals who work with them. Another significant aspect of Safe and Sound is to provide information and training to first responders — those who are first on the scene in an emergency situation.	4340 East-West Hwy, Suite 350 Bethesda, Maryland, 20814	1-800-328-8476	http://www.autism-society.org/living-with-autism/how-the-autism-society-can-help/safe-and-sound/
